

Nevada City School of the Arts
A Matter of Taste
March 13, 2010
www.matteroftastenc.com

Dear Supporter,

The School of the Arts Educational Foundation is seeking donations of products or services for the Nevada City School of the Arts A Matter of Taste, our annual wine tasting and silent auction to be held March 13, 2010 at the historic Miner's Foundry in Nevada City. Last year, thanks to the generosity of the community, this event raised over \$20,000 to support our students in their academic and artistic pursuits.

We fully understand the strains our current economic situation puts on businesses, we understand because school budgets have been dramatically reduced as a result of the fiscal crisis. It is critical that we uphold the educational standards our students, parents and community rely upon, which is why we ask for your help.

Our auction draws not only our school community of about 250, but also over 200 additional people from the local and outlying communities. Here's what you will get in return for your donation:

- Business name included in all in-school promotion, both electronic and print
Year round Thank You and listing on our event website, including link to your website
Donated item nicely displayed with business name and value
Tax deduction for the value of the donated item.

The Nevada City School of the Arts, a K-8 public charter school, has received both the National Blue Ribbon and California Distinguished School awards. Through fundraising and donations we have been able to purchase high quality art, music, technology and science materials. We also provide scholarships to students in need, ensuring all can participate in the challenging and comprehensive environmental field studies programs. Education such as this enhances our overall community by providing a rich academic and artistic environment in which our children can flourish and become caring and contributing citizens.

We hope you find it possible to support this outstanding school with a donation of goods or services. If you have any questions about your contribution or our school, please call (530) 273-7736 X220.

With appreciation,

Mary Peterson, Donation Coordinator
